

AMENDMENTS TO THE SPECIFICATION

IN THE SPECIFICATION:

Please replace the paragraph on page 4, lines 8-16 with the following rewritten paragraph:

As the aromatic compound, on the other hand, the following are listed, for example:

styrene, alpha methyl styrene,
vinyltoluene, divinyl toluene,
2-phenyl-2-butene, etc.

For example, "YS-Resin TO", "YS-Resin TR", "Clearon ~~M2-M2~~ and "Clearon K" made by Yasuhara Chemical Co., Ltd. are commercially available aromatic modified terpene resins. Preferably, "YS-Resin TO" is used.
